Public Works

- Spring Road Improvement Project - No work was performed this week.
- Windy Hill Road Blvd. Project - Bid award and notice to proceed was issued to the contractor for the asbestos abatement and demolition of 575 Windy Hill Road. Asbestos survey lab results were received this week for 901, 1005 and 1041 Windy Hill Road. Quotes have been requested from vendors for abatement and demolition of 901 and 1005 Windy Hill and 1041 Windy Hill Road has been put out for bid.
- Fire Station #2 - The contractor continued installation of building wall and foundation.
- Reed House Site - All paving is complete. The site contractor is addressing a few remaining items to be completed as all items are scheduled to be complete next week.
- Paving Projects - The punch list remains at 75% complete. Staff is currently working on next year's paving list.
- Clifton Road Storm Sewer - The contractor has installed storm sewer pipe to a point where the Gas Company needs to relocate the gas main. The project is about 25% complete.
- Pretty Branch to Lee Street Sewer Replacement - The contractor is about 99% complete with the punch list.
- Sewer Replacement Under So. Cobb at Floyd - The contractor corrected the elevation issue by extending the project scope to the next downstream manhole. This project is about 50% complete.
- Public works crews worked on curbing and landscaping work orders this week. Last week some staff from both the Street Department and Water/Sewer departments pitched in to help the sanitation division complete their routes as the short week and mechanical issues hampered the division's progress.

Parks and Recreation

- Facility Rental Information - Week of October 21 – October 27: CC (29), BH (8), TBH (1), AFC (1), Flds/VB (7), pavilions (6).
- Ugly Sweater Block Party - Ugly Sweater Block Party is December 9. Atkins Park is selling beer, wine and liquor.
- Parks – Work at Ward Park is ongoing and work at Tolleson Park and Cobb Park is coming soon. The Playground at North Cooper Lake Park began installation on November 30.
- Painted Piano Project - The painted piano project was collaboration between Mary Moore of the Smyrna Public Library and Richard Garland of the Parks and Recreation Department. Mary found an initiative that was taking place in the Atlanta area called, "Play Me Again". They spoke with the principal and decided that the city could do this with the Smyrna Arts Council. What transpired from there were some meetings to discuss possibilities. To date, 5 pianos have been donated to the program. With the help of the Smyrna Arts Council the city was able to get Carrie Tankersley to donate her time and talent to the project so that we could have it formally unveiled at the Home for the Holidays event tomorrow night. Carrie is a wonderful local artist that also coordinated the public art mural hanging in the Community Center. In addition to the artwork, SACC was also able to secure a local piano tuner to tune the piano for us at no cost. This project displays the power of collaboration between departments and with local arts groups. We plan to continue to expand the program by adding additional pianos in the prominent places in the park system to include Taylor Brawner, Tolleson, and maybe the Reed House.

Fire Department

- Incidents – Fire – 3; Medical – 80; Other – 53.
- Administration
 - Smyrna Fire hosted a special dinner for the Station 1, C-Shift crew for raising the most money for our last Muscular Dystrophy Association's "Fill the Boot" campaign. The crew was joined by a local MDA family.
 - Santa traded in his sleigh for a fire truck this year! Engine 4 was proud to be the official carrier of Santa Clause this year for the Smyrna Tree Lighting Ceremony.

- Training - Promotional testing was completed this week. Current personnel who were interested in either advancing to Lieutenant or Engineer positions were required to complete both a written and scenario-based test for evaluation.
